

SPEAK UP NOW!

Take Care of Yourself. Take Care of Others. It Matters.

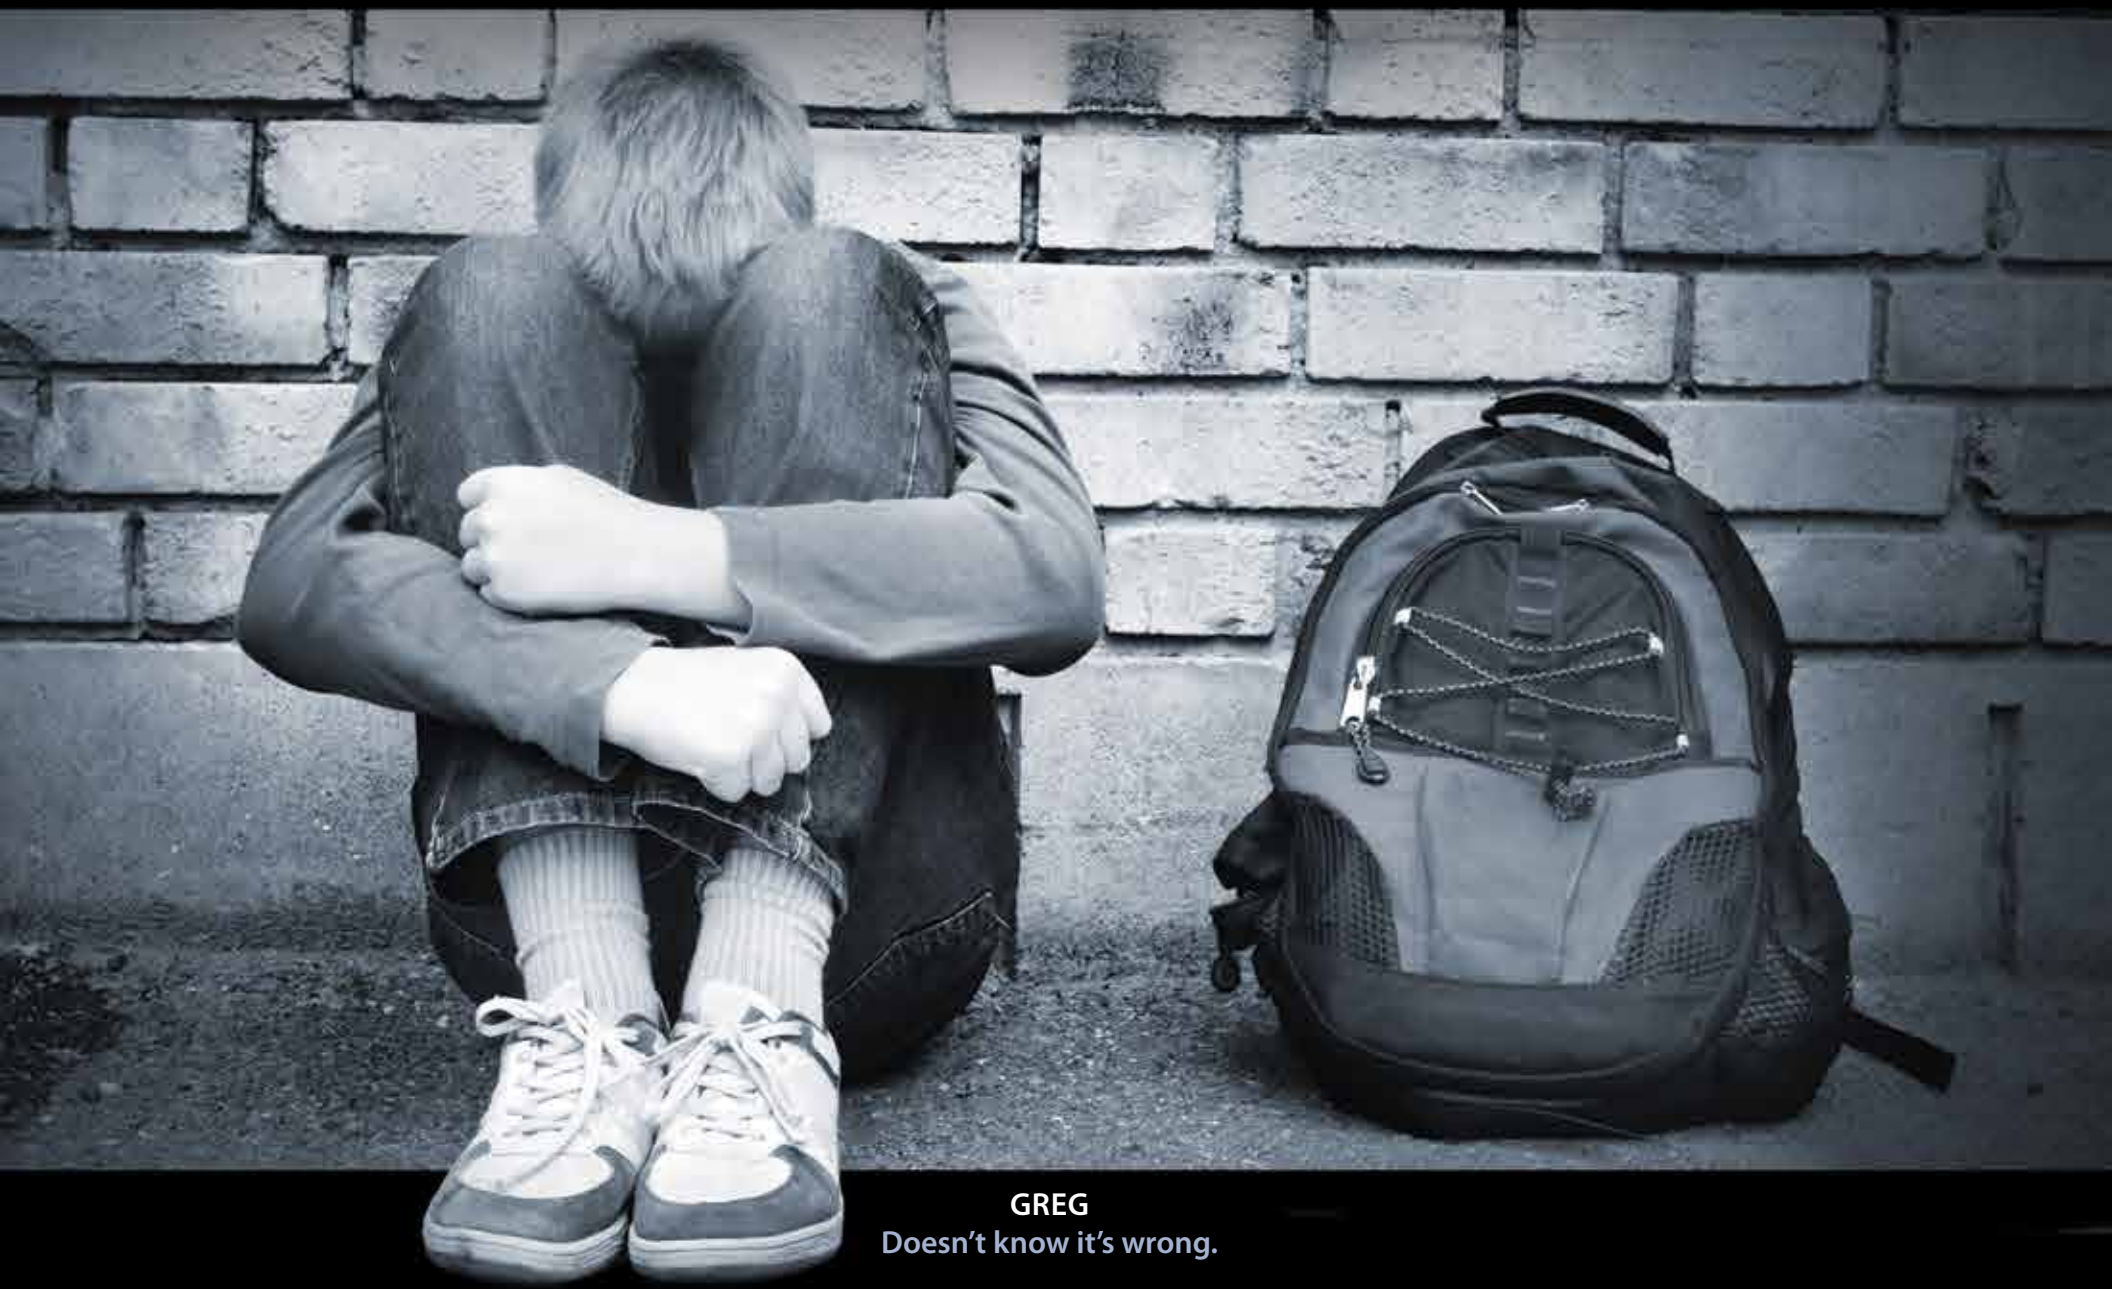

JASON
Thinks no one will listen.

BEN
Thinks he deserves it.

ABBY
Suffers in silence.

GREG
Doesn't know it's wrong.

Because they can't speak for themselves, together we speak for them.

By not speaking up when you witness abuse
you are encouraging it to continue.

Behind our doors, through our eyes, and deep in our hearts...see what we see.
United in keeping our communities healthy.
